General information

1. Exposition terms

The partitions for the poster show will be set up by a specialist booth construction company according to the plans provided by the organizer. As exhibits, graphical material made of paper or plastics mounted on a solid board by e.g. double-sided adhesive tape may be used. Heavy boards may be suspended from the upper partition frames by special hooks, provided the boards are equipped with at least two rings. Fixing material will be provided by the booth construction company.

The exhibitor is liable for any damages to the exhibits, rented stand systems or booths. Otherwise the General Terms and Conditions shall apply (see excerpt from the General Terms and Conditions of Participation). Every stand includes one chair.

It is also possible to use your own partitions.

2. Display of information material and small exhibits

The stand systems feature small cabinets with sliding doors for the display of small exhibits. Dimensional requirements and weight limits to be observed are listed under "Technical data and rates".

3. Booking procedure

Please make your booking with the enclosed registration form. **The bookings are handled on a "first come, first serve basis"**. The exhibition space is limited. The exhibiting company will receive a written confirmation from the organizer.
