- **AIM OF THE CONFERENCE**

To bring together scientists from all over the world, working in connection with the steel and metals industries for an exchange of experience covering the analytical and characterisation techniques used in their industries.

The conference language will be English.

- **SUBJECTS**

The conference will include invited lectures, papers and posters. Papers or posters may cover the following topics:

- Sampling and Samples Preparation
- Characterisation of Raw Materials and Final Products
- Cleanliness of Steel and Metal
- Characterisation of Surfaces and Coatings
- Micro and Nano Scale Characterisation
- Health & Environmental Analysis
- Innovative Analysis Techniques
- Traceability of Measurements (Standardisation, Reference Material, Proficiency Testing)
- On-line Sensors & Non Destructive Techniques
- Laboratory Management & Automation
- Recycled Materials & Urban Mining

- **LOCATION**

Subjects  
Location

- **ABSTRACTS**

The last deadline for abstracts is May 14th 2019.

**Please submit your abstract only by using the following link:** <https://www.register-me.org/2.0/kco074/authors/add>. Register there. After that and a few seconds you will receive an e-mail with a link and your personal password that enables you to enter the upload area. Upload your abstract there. If you have any further question, please do not hesitate to contact us [\\_info@cetas2019.eu](mailto:info@cetas2019.eu)\*.

Please **do not forget to register online as a speaker** here: <https://www.stahl-online.de/Cetas2019/registration.html>

The abstract should not be longer than 400 words (not more than one page) and provide sufficient information for a fair assessment. It must be written in English.

It should state clearly and concisely:

- the purpose of the work
- the method of approach
- significant results
- conclusions

Please also indicate if you want to present the paper orally or as a poster. In case of too many suggestions for oral presentations, the organising committee reserves its rights to put the paper into the poster session instead, as well as to reject a paper.

Authors will be notified of the decision of the organising committee by May 15 th 2019.

## Abstracts

- **PROCEEDINGS**

Full proceedings will be published in English and circulated after the conference in autumn 2019.

Authors of accepted contributions will receive detailed instructions for preparation of their papers for publication in the proceedings.

- **EXHIBITION**

Manufacturers and related companies interested in presenting information are invited to contact the conference organisers.

- **CONFERENCE FEE**

**400 Euros** (included proceedings and the official dinner)

**250 Euros** for students (included proceedings and the official dinner)

- **ORGANISATION**

Chairman CETAS

Dr. Hubert Duchaczek, voestalpine Stahl GmbH, Linz, Austria

Chairman of the conference "CETAS 2019":

Dr. Hans-Uwe Schmitz, AG der Dillinger Hüttenwerke, Dillingen, Germany

Organizer: Stahlinstitut VDEh, Düsseldorf, Germany

• COUNTRIES / NATIONAL BODIES REPRESENTED IN CETAS

Countries/  
National  
bodies

➤ Austria	➤ AIM – Associazione Italiana di Metallurgia (Italy)
➤ Belgium	➤ ASMET – Austrian Society for Metallurgy and Materials (Austria)
➤ Finland	➤ CRM Group (Belgium)
➤ France	➤ DAAS - Deutscher Arbeitskreis für Analytische Spektroskopie (Germany)
➤ Germany	➤ GDMB – Society of Metallurgists and Miners (Germany)
➤ Hungary	➤ Jernkontoret (Sweden)
➤ Italy	➤ SASP - Swiss Association for Spectrometry (Switzerland)
➤ Luxembourg	➤ Steel Institute VDEh (Germany)
➤ Spain	
➤ Sweden	
➤ Switzerland	
➤ The Netherlands	
➤ United Kingdom	

- **CONTACT**

Dr. Hans-Uwe Schmitz, AG der Dillinger Hüttenwerke
